

Personal Information

Name: NEBA PRINCEWILL AMBE

Phone Number: 651840659/694293740

Email: nebaprincewill237@gmail.com

Gender: Male

Base Location: Buea, South West, Cameroon

Profile

I am a motivated and detail-oriented computer engineering student specializing in software engineering, with a strong foundation in frontend development and web technologies. Proficient in modern frontend tools like ReactJS, Next.js, Tailwind CSS, and JavaScript. Passionate about building user-friendly digital healthcare tools and contributing to open-source projects. I'm actively seeking for a challenging internship opportunity in the IT field that will enable me apply my knowledge in real life scenarios.

Education Background

Bachelors in Engineering

Faculty of Engineering and Technology, University of Buea

October, 2021 – Present

- Admitted through a competitive national entrance exam
- Currently working on a capstone project based on the customization and implementation of OpenMRS for healthcare systems in Cameroon

Professional Experience

Internship Experience

August, 2024 – January, 2025

Intern, FLEXIBLE ACADEMY

I completed a six-month internship, during which I gained technical knowledge in frontend development using technologies such as Tailwind CSS, JavaScript, and Next.js. I ended this internship by designing and implementing a website for Flexible Academy aimed at showcasing its language services to the world.

Intern, MTN Cameroon

July, 2023 – September, 2023

Went through a three-month internship where I was able to:

- Acquired knowledge about the Linux OS
- Learned about data centers
- Mounted and unmounted servers in racks
- Interconnected servers

Projects

LANGUAGE WEBSITE,

- A website aimed at representing Flexible Academy online
- Made use of Next.js and Tailwind CSS for the proper implementation of the frontend

IMPLEMENTATION OF OpenMRS (Academic ongoing)

- Implementation of an electronic medical record to improve healthcare delivery in Cameroon
- Making use of React `for frontend configuration

PERSONAL PORTFOLIO (ongoing)

- Building a portfolio for personal branding
- Making use of ReactJS and Tailwind for user interface design
